## Media release

### Logan bill extension available until 22 December

Logan customers are encouraged to contact Allconnex Water by 22 December if they need an extension or other payment assistance for their November bill.

Allconnex Water CEO Andrew Foley said Allconnex is committed to helping Logan customers who are having difficulty paying their bill on time.

“We really want to work with our customers,” said Mr Foley.

“If any customer needs an extension or to discuss other payment arrangements, they only need to contact us before the due date. We can then work with our customers to determine the best option.”

Allconnex does not apply interest if customers contact us before the due date of 22 December to organise alternative payment arrangements.

Customers can contact Allconnex Water’s Customer Contact Centre on 1300 WATER (1300 000 928).
